

28-02–2025

Mid-term review

- Perceptron learning
- MLP
 - Single neuron's activity
 - Activation function
 - Loss function
 - Parameter update rules
 - Regularisation
- CNN
 - Convolution operation - filter/mask size, padding, stride,...
 - Feature detector and classifier
 - Some standard CNN architecture
- NLP
 - Bag-of-words model
 - N-gram model
 - Term-document and term-term matrix
 - Word2Vec
